SAFEGUARDING

Forest School is committed to safeguarding and promoting the welfare of children.

The postholder will be required to;

- Complete an Enhanced Disclosure and Barring Check (DBS).
- Complete Child Protection Training.
- Promote and safeguard the welfare of all children and young persons they are responsible for, or with whom they come into contact.

JOB SUMMARY:

Forest School is seeking to appoint a passionate, inspiring, and enthusiastic teacher to join a thriving, diverse and large Mathematics Department with a track record of excellent results, outstanding pupil outcomes and a strong focus on pedagogy and teaching and learning development.

As one of the largest day schools in HMC, Forest abounds with opportunities for professional and career development. Teachers at Forest are rarely just confined to their subject area and the majority play a full and active role in Forest's enviable super-curricular and co-curricular programme, with opportunities to lead in clubs and activities as diverse as Model United Nations, Extended Project Qualification, Jedi Warrior Lightsabre Fencing, Chapel Choir, Music Technology and Cricket, to give but a few examples. The ambition, richness, and distinct nature of the integrated curriculum at Forest offers our staff with an unparalleled experience of a modern and holistic education in our beautiful London setting. As our Good Schools Guide Review (2023) suggests Forest is a 'flourishing, successful and well-led school in a glorious, green setting with consistently strong results that don't require pupils to sacrifice happiness or wellbeing on the way to achieving them... an education that's so genuinely rounded you could make hoops from it.'

Forest invests heavily in the development of pedagogy and teaching strategy, with all teachers expected to engage in an ambitious Professional Learning Programme which includes seminars and contact with leading minds in the teaching and learning space; most recently, Forest welcomed Tom Sherrington who presented on curriculum strategy and design. In addition, we are immensely proud of our culture of formative, ongoing and developmental peer observation through our Teaching and Learning Communities. Teachers are also encouraged to liaise regularly with our team of Lead Teaching Practitioners and benefit from coaching and constructive critical feedback and reflection on their practice.

The Teacher of Mathematics will be responsible for delivering high quality teaching, through planning engaging lessons to enable all pupils to make the best possible progress. The Teacher of Mathematics must be able to demonstrate excellent subject knowledge and communicate this in an enthusiastic and imaginative way. The ability

to teach A Level Further Mathematics would be an advantage. In addition, they will be expected to contribute to the routine and extra-curricular life of the school, as well as that of the department.

Mathematics is a thriving, popular and dynamic faculty at Forest that secures strong academic outcomes. The faculty aims to promote the enjoyment and appreciation of Mathematics beyond the curriculum; this is at the heart of its philosophy. We have a large entry every year to all levels of the UKMT Maths Challenges with many gaining gold certificates and progressing to the higher rounds. There is a school team in the London-based Hans Woyda Competition and students regularly attend the Mathematics in Action lectures. We have a programme of guest speakers at Forest. These have included Marcus du Sautoy, Matt Parker, Alex Bellos and Kjartan Poskitt of Murderous Maths fame. As part of our partnership with local schools we host other students in our Additional Mathematics programme for Year 11.

Results are strong within the faculty. Over the last five years when public examinations were taken, around 75% of students at Key Stage 4 have achieved grades 7 to 9. In 2024, this was up to 80%, with 60% achieving a grade 8 or 9. At A-level in 2024, our students achieved a 58% A*/A rate in Mathematics and 50% in Further Maths. Three students have secured offers to read Mathematics at Cambridge in the past few years and many more secure places at leading institutions (in the Russell Group and beyond) each year. Forest offers the Pearson/Edexcel IGCSE in Mathematics at Key Stage 4 and the Edexcel Mathematics A-Level at Key Stage 5.

We would expect the successful applicant to teach the full range of Mathematics at Forest School, from Key Stage 3 to A-Level and Oxbridge preparation. The ability to offer Further Mathematics would also be highly desirable.

We welcome applications from candidates who are new to the profession and offer a well-developed and formative programme of support, coaching and guidance for PGCE and ECT candidates.

KEY RESPONSIBILITIES:

- Teach across all levels and abilities. Forest School follows the Edexcel IGCSE course (Specification A) (9-1) and the Edexcel A-level course. The ability to teach A-Level Further Mathematics would be advantage.
- Develop, maintain and stimulate pupils' curiosity, interest and enjoyment in Mathematics
- Enable all pupils to have equal access to Mathematics and to experience success in their work
- Develop pupils' familiarity, competence and confidence with appropriate Mathematical concepts, principles, methods and vocabulary
- Provide challenge for every pupil and to encourage all pupils to achieve their potential in Mathematics
- Develop pupils' understanding and applications of Mathematics in its wider context
- Make a contribution to and engage in extra-curricular Mathematics
- Share in departmental best practice
- Willingness to invest extra time to ensure students achieve the best standard
- Willingness to help out with departmental responsibilities
